Waiver:

As a condition of participation in the Delvin Miller ADIOS STAKE NO. 59 (the Open and/or Filly Division), the Owner(s) of the nominated horse(s) hereby grants to the Sponsor, its representatives, successors, and assigns the absolute right to copyright and publish, use or reuse still and motion photographic images of its horses, drivers, trainers, employees, officers and agents, in whole or in part, in composite or in distorted character, with or without use of names, in color or otherwise, for the purpose of promotion, advertising, trade or other lawful purpose in any and all media. Owner(s) waives any right to inspect and/or approve the finished product or the copy that may be used in connection therewith or the use to which it might be applied. Owner(s) further agrees to inform his drivers, trainers, employees, officers and agents of the authority granted to the Sponsor herein, to hold Sponsor harmless from any and all liability and damages, and to indemnify the Sponsor from same should any such owner(s), driver(s), trainer(s), employee(s), officer(s) and agent(s) challenge Sponsor's rights herein as set forth above.

Racing Conditions:

All events to be raced as one dash at one mile. If 11 or fewer are declared in to start, the Adios or the Adioo Volo will be raced as a single dash at one mile. If 12 or more declare to start, the Adios or the Adioo Volo may be raced in elimination heats or divisions. If elimination heats are raced, in either the Adios or the Adioo Volo, horses in each elimination heat shall qualify for the Final and under the conditions as specified below.

The eliminations, if necessary, will race for no less than \$25,000 each, the amount to be determined by the Sponsor. Elimination heats may be held on the same program as the Final, or scheduled at least five (5) days prior to the Final as determined by the Sponsor.

If there are two (2) elimination races the first four (4) finishers in each elimination will return for the Final plus the horse with the highest lifetime money earnings as determined by the USTA from the two (2) fifth place finishers will be drawn in for a Final field of nine (9).

If there are three (3) or more elimination heats, not more than three (3) horses shall qualify for the Final from each elimination heat.

If four (4) eliminations or more are required, eligible horses will be selected for a Final field of nine (9) in a method consistent with the above procedures.

If the eliminations are necessary, post positions in the Final may be determined by one of the following methods as determined by the Sponsor:

- a.) by an open draw, or
- b.) earned by the official order of finish in the eliminations, or
- c.) the elimination winners, in an order determined by lot, may choose their post position for the Final. The trainer of each winner must select the post position by a time specified by the Racing Secretary, or that elimination winner will be placed in the open draw with the rest of the Final field.

In addition, at the discretion of the Race Secretary, two horses may be selected from those in the eliminations that do not qualify for the Final to be designated "Also Eligible" ("AE") for each Final to replace horses excused by the judges by the designated "scratch" time. The preference to determine which is the first "Also Eligible" ("AE1") shall be determined by taking the horse that placed highest in the official order of finish of all elimination divisions, but did

not qualify for the Final. The other horse will be the second "Also Eligible" ("AE2").

In the event horses are tied (i.e. equal in the finish position, including a dead heat) in qualifying for the Final or in determining the Also Eligibles, preference will be determined by the highest lifetime money earnings; if equal in money earnings, final preference will be determined by lot among such tied horses. If the need occurs to replace a horse or horses qualified for the Final, it will be done in a manner consistent with these conditions regarding the determination of eligibility and preference for the Final.

If, because of an accident in an elimination, an insufficient number of horses finish the elimination race and qualify for the Final, the remaining finalist(s) and "also eligible(s)" will be selected (in the preference of the highest lifetime earnings as determined above) from the remaining non-offending horses in that elimination where the accident occurred.

The Sponsor at its sole discretion reserves the right to conduct this race in a format either with eliminations in the previous week to the final as published above, in divisions, or on a single date with "top eight" (8) format and possibly, at the discretion of the sponsor, a consolation race or races as determined by the number of entries. The format will be published the year prior to the first payment in the year of the race.

All starters are subject to the detention policy of the race track.

Money Division:

Purses for both the Open and the Filly Divisions will be divided 50-25-12-8-5% for each heat or dash.

Drivers and Trainers Fees:

The drivers and trainers fees may be disbursed in accordance with the policy of the track at the time of the race.

Disputes:

In the case of any dispute as to the interpretation of these conditions, the decision of the Sponsor shall be final. All fees and payments in any race are accepted on the condition that all claims, objections and appeals arising out of these races or with respect to any interpretation of any rules or conditions of the races, or otherwise shall be decided by the Sponsor.

Washington Trotting Association, Inc., at its sole discretion as to what it determines to be in the best interest of the Races, reserves the right to refuse the participation of any entry or proposed entry. Any horse owned or trained by an owner or trainer who is arrested, indicted or is the subject of a filed governmental criminal information charging such person with administering, selling, sponsoring or encouraging the sale or use of illegal medications or the illegal or unethical treatment of animals will be ineligible to race in any of the races owned by Washington Trotting Association, Inc. Such ineligibility shall commence on the date of such arrest, indictment or information and continue for a minimum of 60 days from the time of the transfer of ownership of the horse and/or the change of trainers to a bona fide separate and unrelated licensed owner or trainer, as the case may be. All payments may be subject to forfeiture.

Rules:

Unless otherwise specified and except as may be affected by a state or provincial racing Commission or Board, USTA rules not in conflict with these conditions or the future amended conditions in the year of the race to govern, as well as the Track rules and regulations.
