Racing Conditions for the Jug:

The track retains the right to conduct the event in a single dash all purses will be paid 50-25-12-8-5% pay off. The Little Brown Jug Society establishes that the race will be eliminations and a final only.

The Little Brown Jug Society shall determine the number of horses that will start in each division not to exceed 10. If one division the event will be raced two heats of one mile. The first heat will go for \$50,000. The top eight finishers will return for the final heat. Post positions for final heat to be determined by order of finish of first heat with the winner of the second heat being the winner of the Little Brown Jug. All starters in the Finals will receive purse money. The winner of the Race will receive 50% of the purse; one percent (1%) of the total purse will be paid to the owners (including drivers) of each finalist finishing 6th through last including horses that are declared a non-starter for pari-mutuel purposes during the Race by the judges, or those that don't finish the Race. The remainder of the purse for the Race will be divided 50-24-16-10% for the horses finishing second through fifth.

The track retains the right to conduct the event in a single dash.

Accidents in the Eliminations. If because of an accident in the elimination race, an insufficient number of horses finish the elimination and qualify for the final, the remaining finalist(s) and "also eligible" will be selected (in the preference of the highest earnings in that year as determined by USTA records at time of declaration) from the remaining non-offending horses in that elimination where the accident occurred.

Eliminations for the Jug:

The first four horses in each division will qualify for the second heat with the winner being the winner of the Little Brown Jug. Post positions for the second heat to be determined by order of finish and blind draw of divisions. Although only four horses return out of the first and second divisions, five monies will be paid each and every elimination. The all monies will be divided 50-25-12-8-5%. Should any horse scratch for the second heat an Also Eligible (AE) would be included. Also Eligible first choice will be chosen by highest career earnings. If there are three divisions, then three elimination heats will be held. Five monies will be paid in each elimination heat, but only three from each elimination heat will return for the final heat.
