Race No. 59 (Fair Division) For 2- and 3-Year-Old Pacers & Trotters

These events are subject to the Rules and Regulations of the Pennsylvania State Harness Racing Commission and the applicable rule of the Pennsylvania Department of Agriculture.

Each yearling must have been sired by a registered stallion standing in Pennsylvania the full season of service (2022) during which the dam was bred to produce such foal. To be eligible to the Sires Stakes program, the mare of the resulting foal must be on the list of 140 US mares bred submitted by the Pennsylvania farm that stands the stallion. If the mare is not on the list, the foal is not eligible to the Sires Stakes Program

A copy of the USTA or other approved registration certificate is to accompany each nomination.

Each race is to be a mile dash.

Horses must show a charted line on the declared gait after May 15th with no breaks in the following time standards (with time allowances). Horses showing no such line in the past 45 days must qualify. Official workouts do not apply. Each trainer is responsible for knowing the conditions of eligibility of their horses.

The Judge or his designee shall decide if the field should be split for safety purposes. In the case of a split in the event, the association conducting same may divide the race by adopting one of the methods of division racing then current in the Pennsylvania State Harness Racing Commission Rules and Regulations. For purposes of cancellations the Judge's decision is final.

Gait must be declared by the March 15, 2025 payment. Transfer may be made at the time of declaration but starting payments remain in the respective funds.

DNFs receive no points

but are credited with a start. In the case of a dead-heat for finish position, the points for that position and the one(s) under it will be added and divided by the number of horses in the dead-heat.
