Permanent Identification

The primary means of identification for foals born in 2019 and after is a microchip, the cost of which is included in the fee paid at the time of registration.

All horses can still be freeze branded. Freeze branding done at the same time as microchipping is \$40 per horse. The cost to only freeze brand a horse is \$75 per horse (*which covers the cost of the ID Technician to microchip the horse at a later date*). Horses with a freeze brand must be microchipped before they race for the first time. Identification fees can be paid with a credit card when the ID Technician comes out to identify your horse(s).

Hair is collected at the time of identification for *parentage verification*. Without permanent identification and parentage verification, a horse's registration papers cannot be mailed (*if requested*), ownership cannot be transferred and the horse will not be issued eligibilities to race. This applies both to new foals and horses imported from another country.
